PROFILE

I'm a passionate graphic designer with 4 years of experience and a knack for creating visually compelling designs that communicate effectively and resonate with audiences. With a background in both digital and print media, I bring a blend of creativity and technical skill to every project. I am Proficient in Adobe Creative Suite and skilled in Photo manipulation editing, Graphic design elements, Textures for 3D models, Visual effects, Vector graphics, 3D models, and also animations. Demonstrated ability to deliver projects on time while maintaining high-quality standards. Passionate about story-telling, and visual communication and continue growing and developing in the graphics design field.

WORK EXPERIENCE
